## POINTERS FOR PARTICIPANTS

**Do not forget your tickets.** Tickets will not be given out at the door. This fair is for students and alumni of participating colleges and universities who are members of the Nashville Area Career Fair Consortium **only**. Visit your career center to pick up your free tickets.

**Be prepared.** Have ample copies of your resume to present to recruiters who are accepting them **and** get information from recruiters about online application and resume posting processes. Many companies are going "paperless" for initial job information and applications. Don't overlook this very important step. If you need help preparing a resume, your career center staff has resume information for you.

**Research organizations before the fairs.** Employers value candidates who are informed. Check the Nashville Fairs website ([www.nashvillefairs.org](http://www.nashvillefairs.org)) for information.

**Who's looking for what?** Employer hiring needs will be on the Nashville Area Career Fair Student Web Page (<http://www.nashvillefairs.org/NashvilleFairStudents2007.html>) and in the directory you receive at the Fair. See who's coming and prioritize the organizations you want to visit.

**Networking.** The Fairs are an exciting and rare opportunity for one-on-one contact with recruiters who are here to meet you. Make the most of this networking opportunity. Gather information and follow up. Some representatives may conduct on-site interviews.

**Image is important!** How you look and present yourself will make an impression. Make sure it's a positive one. Professional attire is best and will pay off for you. Remember to turn your cell phone OFF or leave it in your car.

**Location.** Tennessee State Fairgrounds offers FREE parking. Map and driving directions are at: <http://www.tennesseestatefair.org/MapDirections.htm>

**Win an i-Pod!** - An entry card will be available at each fair. iPod courtesy of the Nashville Area Chamber of Commerce and [NashvilleHasJobs.com](http://NashvilleHasJobs.com)
